Edgar Mares – 301-4563 (Cell)

Chris Carlos – 477-5627 (cell)

Dear Potential Sponsor,

Arvin High Quarterback club is holding the 11th annual golf tournament in honor of Coach Chamberlain and his 37 years of dedication to Arvin High School athletics. We hope to have your individual contribution or business contribution to help make this a successful event. We hope that our format will allow for the best possible contribution from you or your organization. The golf tournament will be called "Chamberlain Golf Classic," and it will be on Saturday April 28, 2012 at the Sycamore Canyon Golf Course. We will identify your sponsor on a tee box the day of the tournament, and identify each sponsor on every sheet that the golf players receive the day of the tournament.

Here is how you can help:

Bronze Sponsor: Contribution of \$50.

Silver Sponsor: Contribution of \$100.

Gold Sponsor: Contribution of \$200 or more.

Platinum Sponsor: Contribution of \$500 or more. (Platinum sponsor includes a team of four-man scramble included in the tournament).

This year the Bears enter into a new look in the South Sequoia League (SSL). Tehachapi will move out, and the SSL will pick up Cesar Chavez and RFK, both Delano schools. We are excited about this change, but we kept Tehachapi on our preseason schedule. New to Arvin Football is a zero period strong body class that we started in January, and we hope that this daily contact with the players will help with off-season strength, conditioning, and grades. Any contribution made is Tax-Deductible and greatly appreciated. The money raised goes to benefit the football program at Arvin High. Those that know Coach Chamberlain, know that he is one of a kind. His qualities and characteristics are not easily matched. He prides himself on hard-work and honesty. I am proud to be associated with this event and hope that you help in making this a successful tradition. Please make checks payable to **AHS Football Club**. Send your contributions to **900 Varsity Road Arvin, California 93203** attention Edgar Mares.

Sincerely,

Edgar Mares
Head Football Coach
Arvin High School
