they are held on the second Wednesday
of the month. We usually meet at El
Pueblo Restaurant in Lamont at 6:30
p.m. If you would like to help on a
committee or be a representative for
your class or would just like to see

AHS TELEVISION

Arvin High has a state of the art
media center that helps the students
learn about producing a professional
newscast. The media center director
is Johnny Watson who teaches the
classes. The students learn all the
aspects of putting together a news
cast: gathering and editing stories,
writing scripts, and producing,
directing a show and anchoring news,
sports and weather

The facility was made possible with a
California Education Grant that was
matched by the Kern High School
District.
